We say it is time to select the This is the language of a large heartcandidates, and we hope this will be ed man, with broad and comprehen-done by the people—not by any volun-sive mind, and embodies the very case in Pennsylvania the expense of tary announcements. For a place in soul of Christianity, that charity to all taking testimony has been already that Convention, we suppose the without which it is nothing. In quite large, that Convention, we suppose the XIVth Amendment disqualifications apply to no one—so that we may select Anchinan Wright, Isham G. Harris, W. H. Stevens, Hen. Cates, in Blount county, eight miles of Marysville. A shall has been discovered on the land of Dr. J. W. Cates, in Blount county, eight miles east of Marysville. A shall has been sunk in the base of Little Pine Mountain, and the digging indicate rich sollies. See Mississipping and Treasurer HAYNES, E.M. YERGER, TREADWELL capable of looking beyond their per and iron mining at one and S. Avress, P. T. Schuogs, W. Y. C. mess, and not condemning all the same time would prove doubly ad HUMES, G. J. PILLOW, JOSEPH R. MOSHY, J. L. T. SNEED, or any others of our citizens at will. We have everything so clear around them. He enterprise, and being in such close proximity, the cost in this instance would be but little more than said:

"I cannot deny, that in spite of its errors and violent character, the labor under disabilities by the action of Congress which we mean to say are not in the way of a free choice by the people. A convention of the people includes all the people, and a convention by representatives of the people, in theory does the same thing. Perhaps a public meeting of clitzens for the country will best make a selection which will be satisfactory to all concerned. We need a selection of wise and prudent mea, who will not get as partizans, but for the good of the country, taking patriotic, large and liberal views. And we would it be not intend to reproach the unjust concerned. We need a selection of the Mohammedans. They are and prudent mea, who will not go beyond the just limits. Rether would it be, at any rate, to commence at home, and complain a named so many, not because they said: 

UNDER THE HAMMER.

Wasee from last evening's Ledger

timt Commissioner WHITE has made known some facts in relation to the

Something About the Disposition of Goods by Auctioneers.

25 himself the justice and the credit of The auction business generally is oductive of great advantage to The Weekly Appeal is regularly discontinued at the end of the time subscribed and paid for unless renewed in advance. This rule is adhered to without respect to persuit in advance. This persuit is adhered to without respect to persuit is adhered to without respect to persuit in advance. the same right that a thief has to put mately conduced, more generally understood, auctions would be more RATES OF ADVERTISING: his hand into a gentleman's pockets, frequently resorted to for the sale of reardent advertisements, first insertion, \$1; has been long enough suspected; and goods. The spirit of competition runs each subsequent insertion 50 cents per now that Dr. White has commenced so high, that goods bring a higher ents in Want or Rent column, is telling us the truth, we hope he figure than their owners could pos cereis per line each invertion.

Double common advertisements 25 per cont. Will tell the who'e truth. There are many traders very sensible additional to ordinary rates.

He ought to do a little penance on of this fact, and frequently consign account of the company he has kept, their stock to the hammer of the auction of the stock to the stock to the hammer of the auction of the stock to the hammer of the auction of the stock to City items, second page, is cents per line each and if he should repent and go on his tioneer, as the most profitable disposition they can make of their goods. bare knees from here to Jerusalem, it The buyer, too, is shielded from ception by the publicity given to the
